

Welcome to the Wider Circle Community!

We're so glad you're here! At Wider Circle, we believe in building a community where everyone feels **respected, valued, and connected**. Whether you're joining a local event, chatting with new friends, or taking part in a virtual hangout, we want your experience to be safe, enjoyable, and full of meaningful connections.

These simple guidelines help make sure we're all creating the kind of space we'd love to be a part of—one that's **kind, inclusive, and supportive**.

Our Shared Values

We show up for each other. That means:

- **Treating everyone with kindness and respect**—even if we see things differently.
 - **Being thoughtful in how we talk and share**, especially when it comes to sensitive topics like religion, politics, or personal beliefs.
 - **Keeping personal stories private** unless someone says it's okay to share. Trust and care go hand in hand.

Everyone Belongs

Our community is for *everyone*. No one should ever feel left out because of who they are. We celebrate diversity and are committed to a space where people of all backgrounds, identities, and perspectives feel welcome and included.

Ambassadors: Leading with Heart

Wider Circle Ambassadors are our friendly hosts and group leaders. They're here to help make everyone feel comfortable, cared for, and included. They live out the values above and are always happy to answer questions or lend a hand.

What's Not Okay

To keep things safe and supportive, we ask everyone to avoid:

- Using abusive or threatening language
- Harassment or bullying of any kind
- Physical or verbal aggression
- Stealing or damaging someone else's property
- Bringing weapons to any event

These actions may result in being asked to leave an event or, in serious cases, losing access to the community.

Need to Talk?

If something doesn't feel right, we want to hear from you. You can:

- Talk to your local Community Engagement Specialist or Area Manager
 - Reach out to our **Member Experience Team** at: member-experience@widercircle.com

We're Here for You

We'll always do our best to listen and take thoughtful action when something comes up. Depending on the situation, we might send a reminder about expectations, temporarily pause access, or take other steps to ensure the community stays safe and respectful for all.
